1.—Minutes of last meeting— *were edited and returned to Leigh to send in.*

2. Indian Cellar—*Public walk scheduled for Oct 25, 2009*

a) I talked to Barbara Durr of TD Bank, and she will come out to Hollis to meet with Ben Severance and me at the town office and set up a Stewardship account. It is not going to make a lot of money, about 0.55% per annum. *—John discovered she is a fellow Orchid society Member*

b) Up-date of Plaque. I haven't picked out a stone yet.

c) I will put extra ribbons on the perimeter trail to make sure that the perimeter trail is easy to follow. The entire Boy Scout troop will work with us on September 26 to make it all clean and nice. My wife is going to videotape the action for the Saco Valley Television station. It would be great to have some more Conservation Commissioners present. It will start at 8:00AM, and shouldn't take more than 3 hours.

d) I found the other corner markers on the Rodney Littlefield lot, and have talked to most of the abutters. There is only one line that I still have to find. I have a survey plan of the parcel donated by Dow and Coulombe.

e) Gorham Recycling is going to save out pressure-treated wood for us. *—They have more than we can ever use available*

3. MEACC booth at the Common Ground Fair. I have written a 1-page description of what we are doing. I am planning to be up there on the 25th. *—John will send some details*

3. Other.
