

22 APRIL, 2023 AT 1.00 PM

CELEBRATE EARTH DAY AT GOOGINS WOODS

Join us at Googins Woods Preserve, for a guided nature walk lead by local Naturalists, sponsored by the Hollis Conservation Commission.

To discover what's inside the forest preserve meet us in the parking lot across the street from the Pleasant Hill Baptist Church, on Pleasant Hill Road in Hollis.

The walk will be approximately 2 hours, and cover 1.5 miles on uneven, flat, potentially wet trails.
