**WHEREAS, the Town designated the Poland Spring Water Municipal Development and Tax Increment Financing District (the “District”) and adopted a Development Program for the District on October 28, 1999 in order to capture the value of real property improvements made within the District and to enable the use of TIF revenues for various municipal and other economic development projects, which received approval from the Maine Department of Economic and Community Development (“DECD”) on December 23, 1999; and**

**WHEREAS, the Town adopted the First Amendment to the Poland Spring Water Municipal Development and Tax Increment Financing District (the “First Amendment”) and adopted a Development Program for the District on February 14, 2017 in order to extend the term of the District to the allowable thirty (30) years, which received approval from DECD on July 18, 2017; and**

**WHEREAS, the Select Board has held a public hearing on May 15, 2024, upon at least ten (10) days prior notice published in a newspaper of general circulation within the Town, on the question of adopting the Second Amendment to the Development Program for the District in accordance with the requirements of 30 A M.R.S. § 5226; and**

**WHEREAS, it is expected that approval will be sought and obtained from DECD approving the Second Amendment to the Poland Spring Water Municipal Development and Tax Increment Financing District and Development Program.**

**NOW, THEREFORE:**

**Section 1.** The Town hereby adopts the Second Amendment to the Poland Spring Water Municipal Development and Tax Increment Financing District and Development Program, pursuant to the following findings, terms, and provisions:

a. Pursuant to Title 30-A M.R.S. Section 5226(5) pertaining to TIF district and development program amendments, this Second Amendment to the Development Program does not result in the District being out of compliance with any of the conditions of 30-A M.R.S. Section 5223(3) which pertain to the percentage of area within the District that is suitable for commercial use, the TIF acreage caps for single TIF districts and for all TIF districts in the Town, and the total TIF district valuation cap.

b. The Second Amendment to the Development Program will make a contribution to the economic growth and well-being of the Town and the surrounding region, and will contribute to the betterment of the health, welfare and safety of the inhabitants of the Town, including a broadened and improved tax base and economic stimulus, and therefore constitutes a good and valid public purpose. The Town has considered all evidence, if any, presented to it at the required public hearing with regard to any adverse economic effect on or detriment to any existing business and has found and determined that such adverse economic effect on or detriment to any existing business, if any, is outweighed by the contribution expected to be made through the District and the Development Program.

**Section 2.** Pursuant to Chapter 206 of Title 30-A of the Maine Revised Statutes, as amended, the Town hereby amends the Poland Spring Water Municipal Development and Tax Increment Financing District designated and described more particularly set forth in the “Poland Spring Water Municipal Development and Tax Increment Financing District Development Program” presented to Town Meeting in the form attached hereto and such Development Program is hereby incorporated by reference into this vote as the Second Amendment to the Development Program for the District.

**Section 3.** The Select Board, or its duly appointed representative, is hereby authorized, empowered and directed to submit the Second Amendment to the Development Program to the Department for review and approval pursuant to the requirements of 30-A M.R.S. § 5226.

**Section 4.** The foregoing adoption of the Second Amendment to the Development Program shall automatically become final and shall take full force and effect upon receipt by the Town of approval of the Second Amendment to the Development Program by the Department, without requirement of any further action by the Town, the Select Board, or any other party.

**Section 5.** The Select Board or its duly appointed representative, is hereby authorized and empowered, at it’s discretion, from time to time, to make such revisions to the documents related to the Second Amendment to the Development Program as they may deem reasonably necessary or convenient in order to facilitate the process for review and approval of the Second Amendment to the Development Program by the Department, so long as such

revisions are not inconsistent with these resolutions or the basic structure and intent of the Select Board in adopting the Second Amendment to the Development Program.

Section 6. This Order shall take effect immediately upon adoption.
