An annual fee, as shown on the attached application form, is required to accompany the subscription application and will cover any family member listed on the subscription form who resides in the household and in the town of Hollis. This only covers fees associated with Hollis Fire & Rescue or mutual aid if the incident occurs in Hollis.

The Hollis Conservation Commission helps to maintain 2 sites in Hollis, the Saco River Indian Cellar off Old Alfred Road and Googins Woods off Pleasant Hill Road. The Indian Cellar is an 81-acre municipal park maintained by the Hollis Conservation Commission. Visitors will find 8 different trails encompassing 2.5 miles that lead to the scenic shores of the Saco River and a handful of picnic spots. The preserve offers opportunities for cross-country skiing, fishing, horseback riding, mountain biking, running, snowshoeing, swimming and hiking. Canoe and kayak access to Indian Cellar is available nearby at Pleasant Point Park in Buxton. Googins Woods is a 30-acre parcel with about 2 miles of trails. The Hollis Boy Scouts put in 2 benches, a picnic table and a bridge. It is a place where people can experience nature, walk their dog, have a picnic and a quiet place to seek peace. Parking for 3-4 vehicles is at the monument at the kiosk on Pleasant Hill Road.

## DEFINITIONS

**Homestead.** "Homestead" means residential real property owned by an individual or individuals and occupied by those individuals as their permanent residence. Residential real property held in a revocable living trust for a beneficiary who occupies the property as his or her permanent residence also qualifies as a homestead. A resident homeowner who is subject to foreclosure and subsequently purchases the home back from the municipality is considered to have no interruption in homeownership for purposes of this exemption.

**Municipality.** "Municipality" means any city, town, plantation, or that portion of a county in the unorganized territory.

**Permanent residence.** "Permanent residence" means that place where an individual has a true, fixed, and permanent home and principal establishment to which the individual, whenever absent, has the intention of returning. An individual may have only one permanent residence at a time and, once a permanent residence is established, that residence is presumed to continue until circumstances indicate otherwise.

**Permanent resident.** "Permanent resident" means an individual who has established a permanent residence.

A cooperative housing corporation may apply for a homestead exemption to be applied against the valuation of property of the corporation that is occupied by qualifying shareholders. To qualify, the corporation must complete an Application for Maine Homestead Property Tax Exemption for Cooperative Housing Corporations.

## **Town of Hollis Emergency Medical Subscription Program Ordinance**

This ordinance implements the Town of Hollis Emergency Medical Subscription program designed for Town residents, both individual and/or family members, residing in a household in the Town of Hollis.

The program provides cost coverage if a subscriber is transported and/or provided medical services, by the Town of Hollis Fire & Rescue Department, or a mutual aid medical transport service to a medical facility which is not covered by the subscriber's insurance or in the event that the subscriber has no insurance coverage.

The plan will not cover medical transportation/services provided by another emergency medical service provider, unless the provider is responding to a mutual aid request from the Hollis Fire & Rescue Department, or any medical emergency which occurs outside the Town of Hollis.

An annual fee, as shown on the attached application form, is required to accompany the subscription application and will cover any family member listed on the subscription form who resides in the household and in the Town of Hollis.

Medical transportation/services costs will not be billed by the Town of Hollis for the co-pay or charges that a subscriber's insurance does not cover for Emergency Medical Services. If a resident has no insurance, the entire bill will be forgiven by the Town.

The subscription plan is renewable annually of each calendar year, and for the year designated by the subscriber.

All funds collected through this plan will be placed in a protected account in the Town and will not be used for any other purpose other than to cover medical bills derived from transportation/services by the Hollis Fire & Rescue Department to this program subscribers.

Subscribers are required to complete the attached subscription agreement form and return it with the appropriate subscriber's fee to the Hollis Town Treasurer.
